Neil Derry, Supervisor

Josie Gonzales, Supervisor

Gary Ovitt, Supervisor

San Bernardino Associated Governments (SANBAG) is a council of governments formed in 1973 by joint powers agreement of the cities and the County of San Bernardino. SANBAG is governed by a Board of Directors consisting of a mayor or designated council member from each of the twenty-four cities in San Bernardino County and the five members of the San Bernardino County Board of Supervisors.

In addition to SANBAG, the composition of the SANBAG Board of Directors also serves as the governing board for several separate legal entities listed below:

The San Bernardino County Transportation Commission, which is responsible for short and long range transportation planning within San Bernardino County, including coordination and approval of all public mass transit service, approval of all capital development projects for public transit and highway projects, and determination of staging and scheduling of construction relative to all transportation improvement projects in the Transportation Improvement Program.

The San Bernardino County Transportation Authority, which is responsible for administration of the voter-approved half-cent transportation transactions and use tax levied in the County of San Bernardino.

The Service Authority for Freeway Emergencies, which is responsible for the administration and operation of a motorist aid system of call boxes on State freeways and highways within San Bernardino County.

The Congestion Management Agency, which analyzes the performance level of the regional transportation system in a manner which ensures consideration of the impacts from new development and promotes air quality through implementation of strategies in the adopted air quality plans.

As a Subregional Planning Agency, SANBAG represents the San Bernardino County subregion and assists the Southern California Association of Governments in carrying out its functions as the metropolitan planning organization. SANBAG performs studies and develops consensus relative to regional growth forecasts, regional transportation plans, and mobile source components of the air quality plans.

Items which appear on the monthly Board of Directors agenda are subjects of one or more of the listed legal authorities. For ease of understanding and timeliness, the agenda items for all of these entities are consolidated on one agenda. Documents contained in the agenda package are clearly marked with the appropriate legal entity.

ADJOURNMENT

Complete packages of this agenda are available for public review at the SANBAG offices. Staff reports for items may be made available upon request. For additional information call (909) 884-8276 and ask for Daylene Burris.

Meeting Procedures and Rules of Conduct

Meeting Procedures

The Ralph M. Brown Act is the state law which guarantees the public's right to attend and participate in meetings of local legislative bodies. These rules have been adopted by the Board of Directors in accordance with the Brown Act, Government Code 54950 et seq., and shall apply at all meetings of the Board of Directors and Policy Committees.

Accessibility

The SANBAG meeting facility is accessible to persons with disabilities. If assistive listening devices or other auxiliary aids or services are needed in order to participate in the public meeting, requests should be made through the Clerk of the Board at least three (3) business days prior to the Board meeting. The Clerk's telephone number is (909) 884-8276 and office is located at 1170 W. 3rd Street, 2nd Floor, San Bernardino, CA.

<u>Agendas</u> – All agendas are posted at 1170 W. 3rd Street, 2nd Floor, San Bernardino at least 72 hours in advance of the meeting, Staff reports related to agenda items may be reviewed at the SANBAG offices located at 1170 W. 3rd Street, 2nd Floor, San Bernardino and our website: www.sanbag.ca.gov.

Agenda Actions — Items listed on both the "Consent Calendar" and "Items for Discussion" contain suggested actions. The Board of Directors will generally consider items in the order listed on the agenda. However, items may be considered in any order. New agenda items can be added and action taken by two-thirds vote of the Board of Directors.

<u>Closed Session Agenda Items</u> — Consideration of closed session items *excludes* members of the public. These items include issues related to personnel, pending litigation, labor negotiations and real estate negotiations. Prior to each closed session, the Chair will announce the subject matter of the closed session. If action is taken in closed session, the Chair may report the action to the public at the conclusion of the closed session.

<u>Public Testimony on an Item</u> — Members of the public are afforded an opportunity to speak on any listed item. Individuals wishing to address the Board of Directors or Policy Committee Members should complete a "Request to Speak" form, provided at the rear of the meeting room, and present it to the Clerk prior to the Board's consideration of the item. A "Request to Speak" form must be completed for *each* item an individual wishes to speak on. When recognized by the Chair, speakers should be prepared to step forward and announce their name and address for the record. In the interest of facilitating the business of the Board, speakers are limited to three (3) minutes on each item. Additionally, a twelve (12) minute limitation is established for the total amount of time any one individual may address the Board at any one meeting. The Chair or a majority of the Board may establish a different time limit as appropriate, and parties to agenda items shall not be subject to the time limitations.

The Consent Calendar is considered a single item, thus the three (3) minute rule applies. Consent Calendar items can be pulled at Board member request and will be brought up individually at the specified time in the agenda allowing further public comment on those items.

<u>Agenda Times</u> – The Board is concerned that discussion take place in a timely and efficient manner. Agendas may be prepared with estimated times for categorical areas and certain topics to be discussed. These times may vary according to the length of presentation and amount of resulting discussion on agenda items.

<u>Public Comment</u> – At the end of the agenda, an opportunity is also provided for members of the public to speak on any subject within the Board's authority. *Matters raised under "Public Comment" may not be acted upon at that meeting. "Public Testimony on any Item" still apply.*

<u>Disruptive Conduct</u> — If any meeting of the Board is willfully disrupted by a person or by a group of persons so as to render the orderly conduct of the meeting impossible, the Chair may recess the meeting or order the person, group or groups of person willfully disrupting the meeting to leave the meeting or to be removed from the meeting. Disruptive conduct includes addressing the Board without first being recognized, not addressing the subject before the Board, repetitiously addressing the same subject, failing to relinquish the podium when requested to do so, or otherwise preventing the Board from conducting its meeting in an orderly manner. Please be aware that a NO SMOKING policy has been established for meetings. Your cooperation is appreciated!

SANBAG General Practices for Conducting Meetings of Board of Directors and Policy Committees

Basic Agenda Item Discussion.

- The Chair announces the agenda item number and states the subject.
- The Chair calls upon the appropriate staff member or Board Member to report on the item.
- The Chair asks members of the Board/Committee if they have any questions or comments on the item. General discussion ensues.
- The Chair calls for public comment based on "Request to Speak" forms which may be submitted.
- Following public comment, the Chair announces that public comment is closed and asks if there is any further discussion by members of the Board/Committee.
- The Chair calls for a motion from members of the Board/Committee.
- Upon a motion, the Chair announces the name of the member who makes the motion. Motions require a second by a member of the Board/Committee. Upon a second, the Chair announces the name of the Member who made the second, and the vote is taken.

The Vote as specified in the SANBAG Bylaws.

- Each member of the Board of Directors shall have one vote. In the absence of the official representative, the alternate shall be entitled to vote. (Board of Directors only.)
- Voting may be either by voice or roll call vote. A roll call vote shall be conducted upon the demand of five official representatives present, or at the discretion of the presiding officer.

Amendment or Substitute Motion.

- Occasionally a Board Member offers a substitute motion before the vote on a previous motion.
 In instances where there is a motion and a second, the maker of the original motion is asked if
 he would like to amend his motion to include the substitution or withdraw the motion on the
 floor. If the maker of the original motion does not want to amend or withdraw, the substitute
 motion is not addressed until after a vote on the first motion.
- Occasionally, a motion dies for lack of a second.

Call for the Question.

- At times, a member of the Board/Committee may "Call for the Question."
- Upon a "Call for the Question," the Chair may order that the debate stop or may allow for limited further comment to provide clarity on the proceedings.
- Alternatively and at the Chair's discretion, the Chair may call for a vote of the Board/Committee to determine whether or not debate is stopped.
- The Chair re-states the motion before the Board/Committee and calls for the vote on the item.

The Chair.

- At all times, meetings are conducted in accordance with the Chair's direction.
- These general practices provide guidelines for orderly conduct.
- From time-to-time circumstances require deviation from general practice.
- Deviation from general practice is at the discretion of the Board/Committee Chair.

Courtesy and Decorum.

- These general practices provide for business of the Board/Committee to be conducted efficiently, fairly and with full participation.
- It is the responsibility of the Chair and Members to maintain common courtesy and decorum.

Attachment: PPC1009a1-wl

factor. SLPP funds are distributed on an annual basis. Funds that are available, but not utilized in a given fiscal year, can be carried over to a following year.

While the project award for the competitive program is totally at CTC's discretion, the distribution of SLPP funds under the formula program becomes the responsibility of regional agencies like SANBAG. The formula program requires a dollar-for-dollar match of SLPP funds and the match can only be from the transportation tax or fee revenues. The SLPP funds can only be used to fund the construction phase of the project; pre-construction work is not eligible.

To be consistent with statewide population based SLPP distribution, staff recommends that SLPP allocation within the county be distributed to two areas, the San Bernardino Valley region and the Mountain/Desert region. The exact percentage is based on 2009 and 2010 population data as shown in Figure 1. The actual amount of SLPP each region receives for each FY is then calculated accordingly based on the percentage established in Figure 1. The result is shown in Figure 2 (estimated amount is based on 2009 and 2010 population data).

Further more, to ensure that the allocation of SLPP funds to projects and that the program implementation will also be consistent with SANBAG's Measure I 2010-2040 Strategic Plan, staff recommends the attached Allocation of Proposition 1B State Local Partnership Program Policy 35000 to be approved by the Board to provide guidance to SANBAG staff in recommending projects for funding and project implementation.

*Figure 1 - Region Share Percentage based on Population Estimate

	2009 population	2010 population
Valley Population	1,497,196	1,505,467

I. POLICY

The purpose of this policy is to provide guidance for the administration of funding allocations and the nomination of projects for funds.

II. RESPONSIBILITIES

A. SANBAG Board of Directors

The SANBAG Board of Directors has the responsibility for allocation of State Local Partnership Program Funds (SLPP) from Proposition 1B (also known as the California Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 to projects within San Bernardino County

B. California Transportation Commision (CTC)
California Transportation Commision (CTC) has the responsibility to distribute the 95% of SLPP funds
by formula to match voter-approved transportation taxes and fees to self-help counties each fiscal year
over five year period began in FY 2008.

The exact amount of distribution is calculated based on population factor. SANBAG receives approximtly \$11 million per year to fund transportation projects within San Bernardino County. SANBAG's total five year SLPP allocation estimate is \$55 million. Funds can be allocated on yearly basis. Funds that are not utilized in a given fiscal year can be carried over to a following year. The SLPP funds can only be allocated to fund construction phase of a project.

III. GUIDANCE

- A. The SLPP allocation shall be distribtued to the San Bernardino Valley region and the Mountain/Desert region based on the annual adapted Measure I population distribution.
- B. The SLPP funds apportioned to San Bernardino Valley shall be allocated to freeway, interchange, grade separation and rail projects.
- C. The SLPP funds apportioned to the Mountain/Desert region shall be allocated to projects identied as part of the Major Local Highway Program as approved by the Mountain/Desert Policy Committee. The SLPP funds allocated to a project shall buy-down the public share of the project cost.
- D. The SLPP funds shall only be allocated to projects that have the ability to meet the SLPP matching requirements and other program criteria as outlined in the approved SLPP guideline established by CTC.
- E. The SLPP funds shall only be allocated to projects that represent regionally significant transportation benefit.
- F. The SLPP funds shall only be allocated to projects that are ready to go to construction when SLPP funds are available.

G. Once the SLPP allocation is awarded to an agency, the agency shall implement SLPP funded project based on the SLPP program guidelines established by the CTC. The SANBAG Board of Directors may de-program allocated SLPP funds to any project that fails to comply the requirements outlined in the SLPP guideline.

the Santa Ana River in the City of San Bernardino, are currently programmed with 100% local funds. The two projects will provide vital access connection between the City and the San Bernardino International Airport. Both projects are currently being developed by the City of San Bernardino and sponsored by IVDA. The projects are both in Preliminary Engineering (PE) phase. The total cost of the 3rd Street Widening project is estimated at \$3.2 million and the Mt. View Bridge project is estimated at \$12.5 million. Both projects will have their environmental approvals in the next few months. Caltrans has informed SANBAG staff that both projects will not be able to receive NEPA approval because there are no federal funds programmed on the projects in the current FTIP. IVDA informed SANBAG staff of their intention to seek state and federal funds to offset total project costs and their federal advocacy effort is ongoing. IVDA requested SANBAG allocate a nominal amount of federal funds on these two projects to allow the NEPA approval process to move forward.

In 2006, SANBAG and IVDA entered into a fund exchange agreement via Contract No. 06-072 for the exchange of \$36,500,000 of IVDA's Inland Valley Goods Movement Bill (IVGMB) with like dollar amount of Measure I to fund regional traffic improvement projects. Because SANBAG has discretion to allocate both of these funding types funds, Staff recommends amendment of this fund exchange agreement by reducing Measure I share by \$10,000 and replace with an equal amount of STP funds.

Staff also recommends the allocation of the above \$10,000 STP funds to the two IVDA projects, the Third Street Widening project and the Mt. View Bridge Replacement project to allow them to proceed forward with the NEPA approval. The STP funds revenue will come from either SAFETEA-LU continuing resolution or future transportation reauthorization bill depends on project delivery schedule.

AMENDMENT NO. 1 CONTRACT NO. 06-072

AGREEMENT FOR FUNDING REGIONAL TRAFFIC IMPROVEMENTS BETWEEN THE SAN BERNARDINO ASSOCIATED GOVERNMENTS AND THE INLAND VALLEY DEVELOPMENT AGENCY

This AMENDMENT No. 1 to CONTRACT No. 06-072 is entered into this 6th day of October 2010 by the San Bernardino Associated Governments ("SANBAG"), and the Inland Valley Development Agency (the "IVDA").

WITNESSETH,

WHEREAS, SANBAG and IVDA, under Contract No. 06-072 (Contract), has agreed to exchange IVDA's federalized Inland Valley Goods Movement Bill (IVGMB) funds with SANBAG'S Measure I funds to fund regional traffic improvements between the two agencies; and

WHEREAS, the parties hereto desire to amend the aforesaid Contract to add federal Surface Transportation Program (STP) funds in lieu of a portion of SANBAG's Measure I commitment to the aforesaid Contract; and

WHEREAS, the parties hereto desire to amend the aforesaid Contract to reduce the amount of SANBAG's Measure I funds from \$36,500,000 to \$36,490,000, and the reduced amount of \$10,000 will be replaced with STP funds; and

WHEREAS, IVDA desires to program \$5000 of the STP funds to fund the construction phase of the Mountain View Bridge over Santa Ana River project. Five thousand of the STP funds to fund the construction phase of the 3rd Street Widening from Tippecanoe Avenue to Leland/Norton Way and from Leland/Norton Way to Victoria Avenue in the City of San Bernardino; and

WHEREAS, IVDA desires to provide its own local funds to meet STP matching requirements for these projects.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree to amend the Contract as follows:

1. Amend Section 3 to read as follows:

Section 3. SANBAG Available Funds.

SANBAG currently has existing Measure "I" funds that are designated for expenditure for the widening of the I-215 Freeway from Orange Show Road to the State Route 30 Freeway

and for the reconfiguration of interchanges all within the City. SANBAG seeks to accommodate the written request of the IVDA to exchange and substitute the amount of funds that would be received by the IVDA from the \$36,500,000 of the IVGMB for \$36,490,000 of existing Measure "T" funds and \$10,000 in STP funds to thus allow the IVDA to undertake the projects listed on the attached Exhibit "B" subject to the provisions and further qualifications and limitations as set forth in Section 4 hereof.

2. Under Section 5, add subsection (d) to read as follows:

Section 5. Procedures and Policies for Use of Measure "I" Funds and STP Funds on IVDA Projects.

- (d) IVDA will be the lead agency to receive and administer STP funds allocated by SANBAG. IVDA will comply with all procedures and policies associated with STP funds through the project development process.
- 3. All other terms and conditions of the Contract shall remain in full force and effect.

IN WITNESS THEREOF, the parties hereto have caused this Amendment to be executed by their authorized representatives as of the date set forth in the first paragraph of this Amendment.

fuels, and tailpipe emission regulations are accounted for. Based on this agreement, improved operations, system management, and enhanced penetration of zero-emission vehicles could receive credit toward achieving the SB 375 targets, along with actions that reduce vehicle miles traveled (VMT).

With this understanding, SANBAG staff recommended support for SCAG staff's recommendation to the SCAG Policy Committees and Regional Council to conditionally accept ARB's proposed targets. Key conditions recommended by SCAG staff included adequate and stable state funding for transit, local redevelopment, and other activities mandated by SB 375. Staff's recommendation was approved by the SANBAG Board of Directors on September 1st.

Lengthy discussion at SCAG the following day included extensive public testimony that was generally supportive of SCAG staff's recommendation. However, concern that acceptance of the targets proposed by ARB would weaken recognition of the conditions under which acceptance was proposed, and ARB's doubling of SCAG's earlier proposed target for 2035, led to passage of a substitute motion that called for per capita targets of 6 percent in 2020 and 8 percent in 2035 unless the conditions were met. The vote on this action was split 29 for and 21 opposed. No formal response to this action has been forthcoming from ARB to date.

The proposed targets are to be considered by the ARB Governing Board on September 23, 2010. Staff will update the Committee as additional information becomes available.

MEASURE I LOCAL PASS-THROUGH FUNDS

2008/2009 SUMMARY AUDIT REPORT FOR THE PERIOD ENDING JUNE 30, 2009

The Measure I Local Pass-Through Funds were created as part of the half cent Retail Transactions and Use Tax approved by the voters of San Bernardino County in 1989 to be used for transportation improvements and traffic management. In its capacity as San Bernardino County Transportation Authority, San Bernardino Associated Governments (SANBAG) is responsible for administration of funds and implementation of programs identified in the Measure.

This report provides summary information on revenue and expenditures of the Measure I Local Pass-Through Funds during Fiscal Year 2008/2009 for each of the cities and the County unincorporated areas within each of the Measure I subareas. This report covers the eighteenth year in which Measure I revenue has been distributed to local jurisdictions within San Bernardino County for local transportation projects.

In the Valley subregion of the County, Local Pass-Through Funds are distributed to the cities and County for local street and road projects. Valley jurisdictions receive funds based upon the ratio of their population to the total Valley population. The Mountain/Desert jurisdictions receive Measure I Local Pass-Through Funds to be expended for transportation projects as specified in the Measure, whereby funds are to be expended for local road projects (30%), arterial and regional road projects (65%), and for elderly and handicapped transportation services (5%). Mountain/Desert revenue is allocated to each subarea based upon the funds generated within each subarea and distributed to each jurisdiction within the subarea based upon a formula of 50% population and 50% point of generation.

This summary report provides information relative to both the financial and compliance audits conducted by Miers & Miers, Certified Public Accountants, of twenty-four city funds and the six subarea funds administered by the County. The financial audits consist of examination of financial statements and accounting principles, while the compliance audits examine expenditures to insure conformity with the Measure I Policies adopted by the San Bernardino Associated Governments Board of Directors.

REVENUE

Local jurisdictions receive retail transactions and use tax revenue from San Bernardino Associated Governments each month, based on the allocation formulas contained in the Measure I Expenditure Plans. The revenue is maintained in the Special Measure I Transportation Sales Tax Fund of each local jurisdiction. Interest received from the investment of these funds is deposited into the special Measure I Fund to be used for transportation projects approved by the governing bodies.

Countywide, Measure I Revenue decreased in 2008/2009 by 21% over the prior year. Following is a summary of the Measure I Local Pass-Through Funds distribution and interest accrued during 2008/2009.

LOCAL PASS-THROUGH FUNDS Year Ending June 30, 2009

SUBREGION	REVENUE	INTEREST	TOTAL REVENUE
San Bernardino Valley	\$19,440,389	\$1,702,210	\$21,142,599
Mountain/Desert	\$18,732,469	\$1,844,216	\$20,576,685
TOTAL	\$38,172,858	\$3,546,426	\$41,719,284

EXPENDITURES AND FUND BALANCES

Expenditures of Measure I Local Pass-Through Funds are made pursuant to the Five Year Capital Improvement Plans and Twenty-Year Transportation Plans adopted annually by the City/Town Councils and the Board of Supervisors. Specific projects funded by the Measure I Local Pass-Through Funds in each jurisdiction are identified in the jurisdictional tables contained in this report. Total expenditures and fund balances remaining on June 30, 2009, are as follows:

SUBREGION	2007–2008 FUND BALANCE	2008–2009 EXPENDITURES	FUND BALANCE June 30, 2009

MEASURE I LOCAL PASS-THROUGH FUNDS SAN BERNARDINO VALLEY 2008/2009 COMPLIANCE ISSUES

In addition the annual financial audit of each jurisdiction receiving Measure I Local Pass-Through Funds, auditors for San Bernardino Associated Governments also conduct an audit to insure compliance with laws, regulations, and policies governing the use of Measure I Transportation Sales and Use Tax Funds. The following listing identifies the non-compliance issues found in each recipient jurisdiction.

CITY OF CHINO

Current Year: None found.

Prior Year: None found.

CITY OF CHINO HILLS

Current Year: The City is not in compliance with Measure I policies. It has exceeded the categorical project expenditure limitation of one-half of annual Measure I

revenue to local projects.

The City made expenditures from the Measure I fund not on the Two Year Capital Improvement Plan. It is recommended that the City update its Measure I Two Year Capital Improvement Plan to adjust for changes as they become apparent. The City should also notify San Bernardino Associated Governments of any changes to the Two Year Plan.

Prior Year:

The City was not in compliance with Measure I policies. It had exceeded the categorical project expenditure limitation of one-half of annual Measure I revenue for local projects. This finding has not been resolved.

CITY OF COLTON

Current Year: The City of Colton made advances/loans of Measure I revenues to other funds within the City. This was in direct violation of Section 4, Division

3, No. 5, of the Measure I Policies.

Prior Year: The City was not in compliance with Measure I Policies. It exceeded the categorical project expenditure limitation of one-half of annual Measure I

revenue for local projects. This finding has since been resolved.

The City made expenditures from the Measure I fund for projects not on the Three Year Capital Improvement Plan. This finding has since been resolved.

CITY OF FONTANA

Current Year: None.

Prior Year: The City made expenditures from the Measure I fund for projects not on

the Three Year Capital Improvement Plan. This finding has since been

resolved.

CITY OF GRAND TERRACE

Current Year: The City is not in compliance with Measure I Policies. It has exceeded the

categorical project expenditure limitation of one-half of annual Measure I

revenue to local projects.

Prior Year: The City was not in compliance with Measure I Policies. It exceeded the

categorical project expenditure limitation of one-half of annual Measure I

revenue for local projects. This finding has not been resolved.

CITY OF HIGHLAND

Current Year: None found.

Prior Year: None found.

CITY OF LOMA LINDA

Current Year: The City is not in compliance with Measure I Policies. It has exceeded the

categorical project expenditure limitation of one-half of annual Measure I

revenue for local projects.

Prior Year: None found.

CITY OF MONTCLAIR

Current Year: None found.

Prior Year: None found.

CITY OF ONTARIO

Current Year: The City of Ontario did not comply with Measure I Policies 34102, item

13. Engineering costs contained in the Measure I project expenditures did

not meet the allowable percentage basis charge limits identified in the Measure I Policies.

Prior Year:

The City of Ontario did not comply with Measure I Policies 34102, item 13. Engineering costs contained in the Measure I project expenditures did not meet the allowable percentage basis charge limits identified in the Measure I Policies. This finding has not been resolved.

CITY OF RANCHO CUCAMONGA

Current Year: None found.

Prior Year: None found.

CITY OF REDLANDS

Current Year: None found.

Prior Year: None found.

CITY OF RIALTO

Current Year: None found.

Prior Year: The City made expenditures from the Measure I fund for projects not on

the Three Year Capital Improvement Plan. This finding has since been

resolved.

CITY OF SAN BERNARDINO

Current Year: The City made expenditures from the Measure I fund for projects not on

the Two Year Capital Improvement Plan. It is recommended that the City update its Measure I Two Year Capital Improvement Plan to adjust for changes as they become apparent. The City should also notify San Bernardino Associated Governments of any changes to the Two Year

Plan.

Prior Year: The City made expenditures from the Measure I fund for projects not on

the Three Year Capital Improvement Plan. This finding has not been

resolved.

CITY OF UPLAND

Current Year: None found.

Prior Year: None found.

CITY OF YUCAIPA

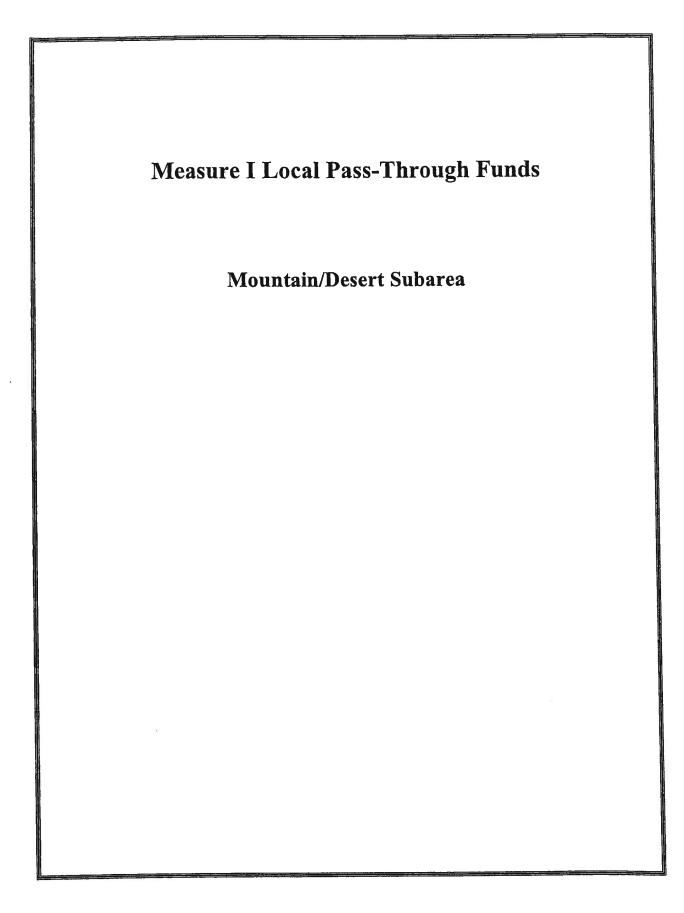

Current Year: None found.

Prior Year: None found.

COUNTY OF SAN BERNARDINO -SAN BERNARDINO VALLEY

Current Year: None found.

Prior Year: None found.

MEASURE I LOCAL PASS-THROUGH FUNDS MOUNTAIN DESERT SUBREGION 2008/2009 COMPLIANCE ISSUES

In addition the annual financial audit of each jurisdiction receiving Measure I Local Pass-Through Funds, auditors for San Bernardino Associated Governments also conduct an audit to insure compliance with laws, regulations, and policies governing the use of Measure I Transportation Sales and Use Tax Funds. The following listing identifies the non-compliance issues found in each recipient jurisdiction.

CITY OF ADELANTO

Current Year: The City made expenditures from the Measure I fund for projects not on

the Two Year Capital Improvement Plan. It is recommended that the City update its Measure I Two Year Capital Improvement Plan to adjust for changes as they become apparent. The City should also notify San Bernardino Associated Governments of any changes to the Two Year

Plan.

Prior Year: None found.

TOWN OF APPLE VALLEY

Current Year: The Town is not in compliance with Measure I Policies. It has exceeded

the categorical project expenditure limitation of one-half of annual

Measure I revenue for local projects.

Prior Year: None found.

CITY OF BARSTOW

Current Year: None found.

Prior Year: None found.

CITY OF BIG BEAR LAKE

Current Year: The City made expenditures from the Measure I fund for projects not on the Two Year Capital Improvement Plan. It is recommended that the City

update its Measure I Two Year Capital Improvement Plan to adjust for changes as they become apparent. The City should also notify San Bernardino Associated Governments of any changes to the Two Year

Plan.

Prior Year:

The City made expenditures from the Measure I fund for projects not on

the Three Year Capital Improvement Plan. This finding has not been

resolved.

CITY OF HESPERIA

Current Year: None found.

Prior Year: None found.

CITY OF NEEDLES

Current Year: None found.

Prior Year: None found.

CITY OF TWENTYNINE PALMS

Current Year: None found.

Prior Year: None found.

CITY OF VICTORVILLE

Current Year: The City made expenditures from the Measure I fund for projects not on the Two Year Capital Improvement Plan. It is recommended that the City update its Measure I Two Year Capital Improvement Plan to adjust for changes as they become apparent. The City should also notify San

Bernardino Associated Governments of any changes to the Two Year

Plan.

The City is not in compliance with Measure I Policies. It has exceeded the categorical project expenditure limitation of one-half of annual Measure I

revenue for local projects.

Prior Year: The City made expenditures from the Measure I fund for projects not on

the Three Year Capital Improvement Plan. This finding has not been

resolved.

The City was not in compliance with Measure I Policies. It had exceeded the categorical project expenditure limitation of one-half of annual Measure I revenue for local projects. This finding has not been resolved.

TOWN OF YUCCA VALLEY

Because of the importance of a 30-year revenue forecast to the purposes stated above, a more rigorous update of the revenue forecast was undertaken, and factors not previously considered, such as the aging of the population and its effects on household income and taxable sales were integrated into the analysis. Dr. John Husing was retained to provide an update to the forecast in communication with other forecasting experts such as demographer Dowell Meyers of the University of Southern California and economist Lisa Grobar of Long Beach State University. Dr. Husing will summarize his findings to the Plans and Programs Committee. A history of prior revenue estimates is provided below as background.

Prior Measure I 2010-2040 Revenue Estimates

The November 2004 Expenditure Plan for Measure I 2010-2040 estimated that \$6 billion would be generated by the half-cent sales tax over 30 years, in 2004 dollars. Estimates of revenue for each subarea and program were derived from this overall revenue forecast. Estimates were stated in the Expenditure Plan to be not binding or controlling. The expectation was that the revenue estimates would be periodically updated.

In April 2006, Dr. Husing prepared a revised Measure I revenue forecast of \$8.35 billion in 2005 dollars. The upward revision to the revenue forecast was developed by revising several key assumptions that had previously been used during the preparation of the original Expenditure Plan. Based on staff recommendation, the SANBAG Board adopted a slightly more conservative revenue estimate of \$8.0 billion at its August 2006 meeting for use in initial development of the Measure I 2010-2040 Strategic Plan.

Modifications to the revenue assumptions by Dr. Husing in early 2008 lowered the 30-year non-inflated Measure I revenue estimate to \$7.25 billion. The SANBAG Board approved the estimates for use in the Strategic Plan at its April 2008 meeting. Although the economy in late 2008 appeared to be on a path to a much steeper decline than was projected by Dr. Husing in early 2008, the Strategic Plan continued to use the \$7.25 billion estimate of 30-year revenues countywide.

The estimate of Measure I 2010-2040 revenue for Fiscal Year 2010/2011 was founded on actual recent Measure I 1990-2010 receipts. Attachment 1 shows the Measure I receipts through FY 2009/2010, on a quarterly basis. The table shows the peak annual revenue at almost \$147 million. The revenue for Fiscal Year

ppc1009b-ss

Attachments: ppc1009b1-ss

Plans and Programs Agenda Item September 22, 2010 Page 3

2008/2009 was \$121 million, down approximately 18 percent from the peak. Receipts for FY 2009/2010 were \$106.8 million, 11.9 percent lower than receipts for the prior fiscal year.

The annual compounded increase in Measure I receipts from FY 1990-1991 to FY 2009-2010 was 4.0 percent. It should be noted that this annual increase includes the effect of inflation as well as the impact of the increased purchasing that comes with growth in population. Inflation over that 19-year period accounted for approximately 2.5 percent annual escalation, based on Consumer Price Index (CPI data). Thus, 1.5 percent can be assumed as coming from growth in population and in the accompanying sales outlets that support the population.

SANBAG staff is not requesting approval of a new revenue estimate at this time, but is providing the information to apprise Board members of progress in developing the updated estimate. However, staff expects to bring forward a recommendation for committee consideration in October. This will be needed to support critical analyses of financial options for the 10-year Delivery Plan and possible decisions on issuance of bonds or other long term debt. Financial decisions may be required by the end of calendar year 2010 to take advantage of financing opportunities potentially beneficial to SANBAG. Additional work is also needed to allocate the overall revenue estimate by subarea and program.

Financial Impact:

Preparation of these analyses is consistent with the Fiscal Year 2010/2011 SANBAG budget. Task No. 60911000.

	AGENDA ITEM:8
Date:	September 22, 2010
Subject:	Approve Jurisdiction Master Agreement with the County of San Bernardino
Recommendation:*	Approve Jurisdiction Master Agreement C11007 with the County of San Bernardino in the amount of \$819,280.
Background:	The SANBAG Board adopted the Measure I 2010-2040 Strategic Plan in April 2009. As part of the Strategic Plan, the Board approved creation of the Valley Arterial sub-program under the Major Street Program. Strategic Plan Policies 40001 and 40006 provide the framework for administering the sub-program. One of the requirements established was that jurisdictions must execute a Jurisdiction Master Agreement with SANBAG before they are eligible to begin the expenditure of Measure I funds allocated to their jurisdiction under the sub-program.
*	Allocations of Measure I funds are approved through the annual apportionment and allocation process and are subsequently included in the annual SANBAG Budget. The Jurisdiction Master Agreement is designed to include multiple arterial projects for a single jurisdiction, and the project list included in Attachment A to the agreement will be updated on an annual basis as jurisdictions amend their Capital Project Needs Analysis (CPNA) and receive additional allocations of funding.
*	The first two years of projects included in the CPNA submitted to SANBAG by each jurisdiction are included in Attachment A to the Jurisdiction Master
	Approved Plans and Programs Policy Committee

Plans and Programs Agenda Item September 22, 2010 Page 2

Agreement. Jurisdictions may expend Measure I funds on any of these projects, up to the allocation limit referenced in Attachment B. Following expenditure of funds, jurisdictions will submit invoices for project expenditures, and SANBAG will reimburse jurisdictions for the public share of expenditures up to the allocation limit.

Jurisdictions with expenditures that exceed the allocation limit may be reimbursed for those expenditures in a subsequent fiscal year after additional allocation(s) of Measure I to the jurisdiction are approved by the SANBAG Board. Providing for advance expenditure allows project delivery to continue with the jurisdiction's own funds, with the expectation of future reimbursement by SANBAG for the public share. Jurisdictions that incur advance expenditures must accept the risk that the SANBAG Board may not allocate sufficient funds to cover the entire public share of advance expenditures in the subsequent year.

Approval is requested for the Jurisdiction Master Agreement with the County of San Bernardino. The agreement will be amended annually, with updated information in Attachments A and B as projects are added or modified and the allocation limit is increased.

Financial Impact:

This item is consistent with the approved Fiscal Year 2010/2011 Budget, Task No. 51511000 Valley Apportionment and Allocation.

Reviewed By:

This item will be reviewed by the Plans and Programs Committee on September 22, 2010. The Jurisdiction Master Agreement has been reviewed by SANBAG counsel and approved by the County Board of Supervisors.

JURISDICTION MASTER AGREEMENT NO. C1100 7

BETWEEN

SAN BERNARDINO COUNTY TRANSPORTATION AUTHORITY

AND

COUNTY OF SAN BERNARDINO

THIS AGREEMENT is made and entered into this 27th day of July by and between the San Bernardino County Transportation Authority (hereinafter referred to as "SANBAG") and the County of San Bernardino (hereinafter referred to as "COUNTY").

WITNESSETH

WHEREAS, the Measure "I" 2010-2040 Strategic Plan identified Valley Major Street Program-Arterial Sub-program projects eligible for partial funding from Measure "I" 2010-2040 revenues; and

WHEREAS, this Jurisdiction Master Agreement is to be carried out in accordance with the policies in the Measure "I" 2010-2040 Strategic Plan; and

WHEREAS, SANBAG has determined that these PROJECTS (Attachment "A") are included in the SANBAG Development Mitigation Nexus Study Capital Project Needs Analysis; and

WHEREAS, SANBAG will reimburse COUNTY for the public share of eligible PROJECT expenditures with Measure "I" 2010-2040 Major Street Program- Arterial Sub-program funds up to the annual fund allocation amount (Attachment "B");

NOW, THEREFORE, SANBAG and COUNTY agree to the following:

SECTION I

SANBAG AGREES:

- 1. To reimburse COUNTY, as provided in Section III, within 30 days after COUNTY submits to SANBAG an original and two copies of the signed invoices in the proper form covering those actual allowable PROJECT expenditures that were incurred by COUNTY, consistent with the invoicing requirements of the Measure "I" 2010-2040 Strategic Plan, including backup information. Invoices may be submitted to SANBAG as frequently as monthly.
- 2. When conducting an audit of the costs claimed under the provisions of this Agreement, to rely to the maximum extent possible on any prior audit of COUNTY performed pursuant to the provisions of State and Federal laws. In the absence of such an audit, work of other auditors will be relied upon to the extent that work is acceptable to SANBAG when planning and conducting additional audits.

3. SANBAG shall assign a project liaison for purposes of coordinating project activities and invoice review.

SECTION II

COUNTY AGREES:

- 1. Only eligible PROJECT-specific work activities, as set forth in Attachment "A" to this Agreement, that conform to the SANBAG Nexus Study and are included in first two years of the current Capital Project Needs Analysis (CPNA) will be eligible for reimbursement with Measure "I" Major Street Program- Arterial Sub-program funds.
- 2. To prepare and submit to SANBAG an original and two copies of signed invoices for reimbursement of those eligible PROJECT expenses according to Attachment "A". Invoices may be submitted to SANBAG as frequently as monthly, up the allocation limit specified in Attachment "B".
- 3. To repay to SANBAG any reimbursement for Measure "I" costs that are determined by subsequent audit to be unallowable within ninety (90) days of COUNTY receiving notice of audit findings, which time shall include an opportunity for COUNTY to respond to and/or resolve the finding. Should the finding not be otherwise resolved and COUNTY fail to reimburse moneys due SANBAG within ninety (90) days of audit finding, or within such other period as may be agreed between both parties hereto, the SANBAG Board reserves the right to withhold future payments due COUNTY from any source under SANBAG's control.
- 4. To provide 39.5% share of total eligible PROJECT expenses, which represents a weighted average of all development shares for Valley unincorporated areas identified in the Nexus Study.
- 5. To maintain all source documents, books and records connected with its performance under this Agreement for a minimum of five (5) years from the date of the Final Report of Expenditures submittal to SANBAG or until audit resolution is achieved, whichever is later, and to make all such supporting information available for inspection and audit by representatives of SANBAG. Copies will be made and furnished by COUNTY upon SANBAG request.
- 6. To establish and maintain an accounting system conforming to Generally Accepted Accounting Principles (GAAP) to support COUNTY request for reimbursement, payment vouchers, or invoices which segregate and accumulate costs of PROJECT work elements and produce monthly reports which clearly identify reimbursable costs, matching fund costs, indirect cost allocation, and other allowable expenditures by COUNTY.
- 7. To prepare a Final Report of Expenditures, including a final invoice reporting the actual eligible PROJECT costs expended for those activities described in the work activities, and to submit that Report and invoice no later than 120 days following the completion of those expenditures. The Final Report of Expenditures, an original and two copies of which report

shall be submitted to SANBAG, must state that these PROJECT funds were used in conformance with this Agreement and for those PROJECT-specific work activities described.

- 8. To have a PROJECT-specific audit completed by SANBAG, at SANBAG's option, upon completion of the PROJECT. The audit must state that all funds expended on the PROJECT were used in conformance with this Agreement.
- 9. To include SANBAG in Project Development Team (PDT) meetings, if and when such meetings are held and related communications on project progress and to provide at least quarterly schedule updates to SANBAG. SANBAG shall assign a project liaison for the purpose of attending PDT meetings.
- 10. As an eligible PROJECT expense, to post signs when PROJECT begins at the boundaries of the PROJECT noting that PROJECT is funded with Measure "I" funds. Signs shall bear the logos of San Bernardino Associated Governments and County of San Bernardino.

SECTION III

IT IS MUTUALLY AGREED:

- 1. To abide by all applicable federal, state and local laws and regulations pertaining to the PROJECT, including policies in the applicable program in the Measure "I" 2010-2040 Strategic Plan, as amended, as of the date of execution of this agreement.
- 2. SANBAG's financial responsibility shall be 60.5% of actual cost for eligible PROJECT expenditures, up to the allocation limit specified in Attachment "B". SANBAG's financial responsibility represents a weighted average of all the public share percentages for the Valley unincorporated areas identified in the Nexus Study. An estimate of costs for each PROJECT phase is provided in Attachment "A".
- 3. COUNTY shall be reimbursed by SANBAG in a subsequent fiscal year for any expenditures in excess of the allocation limit for the current fiscal year, based on invoices for eligible PROJECT expenditures. SANBAG retains the option to reimburse COUNTY no more than 50% of the public share of excess expenditures for the current fiscal year within the first six months of the subsequent fiscal year, with the remaining 50% to be reimbursed in the second six months of the fiscal year. SANBAG shall inform the jurisdiction within 30 days of receipt of an invoice for the excess expenditures, if it chooses to exercise that option.
- 4. If COUNTY does not expend funds up to the allocation limit in Attachment "B" within the current fiscal year, the unused portion shall be applied to eligible PROJECT expenditures in the subsequent fiscal year, in addition to the allocation limit for the subsequent year. A cumulative allocation limit will be maintained in Attachment "B". The cumulative allocation limit will be reconciled against the CPNA submittals beginning with the submittals for Fiscal Year 2012/2013 and adjusted, as appropriate, in the apportionment and allocation process beginning that fiscal year.

- 5. Eligible PROJECT reimbursements shall include only those costs incurred by COUNTY for PROJECT-specific work activities.
- 6. Neither SANBAG nor any officer or employee thereof is responsible for any injury, damage or liability occurring or arising by reason of anything done or omitted to be done by COUNTY under or in connection with any work, authority or jurisdiction delegated to COUNTY under this Agreement. It is understood and agreed that, pursuant to Government Code Section 895.4, COUNTY shall fully defend, indemnify and save harmless SANBAG, its officers and employees from all claims, suits or actions of every name, kind and description brought for or on account of injury (as defined by Government Code Section 810.8) occurring by reason of anything done or omitted to be done by COUNTY under or in connection with any work, authority or jurisdiction delegated to COUNTY under this Agreement.
- 7. Neither COUNTY nor any officer or employee thereof is responsible for any injury, damage or liability occurring or arising by reason of anything done or omitted to be done by SANBAG under or in connection with any work, authority or jurisdiction delegated to SANBAG under this Agreement. It is understood and agreed that, pursuant to Government Code Section 895.4, SANBAG shall fully defend, indemnify and save harmless COUNTY, its officers and employees from all claims, suits or actions of every name, kind and description brought for or on account of injury (as defined by Government Code Section 810.8) occurring by reason of anything done or omitted to be done by SANBAG under or in connection with any work, authority or jurisdiction delegated to SANBAG under this Agreement.
- 8. COUNTY and SANBAG are authorized self-insured public entities for purposes of Professional Liability, General Liability, Automobile Liability and Workers' Compensation and warrant that through their respective programs of self insurance, they have adequate coverage or resources to protect against liabilities arising out of the performance of the terms, conditions or obligations of this agreement.
- 9. This Agreement is expressly subordinated to any bonds, notes, certificates or other evidences of indebtedness involved in bond financings as are now outstanding or as may hereafter be issued by SANBAG.
- 10. The terms of this Agreement represent the consent of the COUNTY to provide the full development share for the PROJECT required by the SANBAG Nexus Study and that failure to contribute the development share according to the terms of this agreement does not obligate SANBAG to provide supplemental funds or otherwise remedy that failure. SANBAG may terminate this agreement if the COUNTY fails to perform according to the terms of this Agreement and if this failure jeopardizes the delivery of the PROJECT according to the terms herein.
- 11. SANBAG shall track the COUNTY equitable share of the Valley Arterial Sub-program, including adjustments for the time-value of money based on time of apportionment of Measure "I" funds, per Strategic Plan Policy 40001/VS-1.

12.	This Agreement shall take effect on the da and shall remain in effect through June 30,	ate it is signed by both SANBAG and COUNTY 2012.

Date:	September 22, 2010					
Subject:	Proposition 1B Public Transit Modernization, Improvement and Service Enhancement Account (PTMISEA) Funding for Positive Train Control					
Recommendation:*	 Approve Memorandum of Understanding C11061 between SANBAG and the Southern California Regional Rail Authority to provide \$3,309,525 of PTMISEA funding for Positive Train Control. 					
	2. Approve Budget Amendr Expenses in the amount of funds to the Southern Cal	nent to Task No. 3791100 f \$3,309,525 to allow SAN ifornia Regional Rail Autho	BAG to pass through the			
Background:	The Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006, approved by the voters as Proposition 1B on November 7, 2006, includes a program of funding in the amount of \$4 billion to be deposited in the Public Transportation Modernization, Improvement, and Service Enhancement Account (PTMISEA). Of this amount, \$3.6 billion in the PTMISEA funds are to be made available to project sponsors in California for allocation to eligible public transportation capital projects. The remaining \$400 million will be used for state-supported intercity rail capital projects. The San Bernardino County transit agencies and SANBAG are expected to receive a total of \$83.9 million of PTMISEA funding. As part of the PTMISEA expenditure plan approved by the Board, \$3,309,525 of Proposition 1B PTMISEA GC 8879.55(a)(2) was allocated to the Southern

California Regional Rail Authority (SCRRA) for Positive Train Control (PTC) and an application for the funds was submitted to the State in March 2009. The availability of the funds was delayed due to the lack of sale of government bonds. However, in April 2010, the California Department of Transportation provided SANBAG with a letter informing SANBAG that subsequent bond sales provided the funding necessary for the State to fulfill SANBAG's request for PTMISEA and the State subsequently released the funds.

As with prior allocations of PTMISEA funds for SCRRA projects, the State has determined that SANBAG must the recipient of the PTMISEA funds. Under the adopted guidelines for the Proposition 1B PTMISEA, the recipient of these funds are required to submit progress reports, fiscal and compliance audits and a follow-up report once the project is complete. The purpose of the attached Memorandum of Understanding is to identify the roles and responsibilities of SANBAG and SCRRA with respect to the receipt and administration of the PTMISEA funds.

Financial Impact:

This item is not consistent with the current adopted FY10/11 Budget. An amendment to Task No. 37911000 Commuter Rail Capital Expenditures is required to enable SANBAG to pass the funds through to SCRRA.

Reviewed By:

This item is scheduled for review by the Plans and Programs Committee on September 22, 2010. Contract No. C11061 has been submitted to legal counsel for review and approved as to form.

MEMORANDUM OF UNDERSTANDING

BETWEEN THE

SAN BERNARDINO ASSOCIATED GOVERNMENTS

AND

THE SOUTHERN CALIFORNIA REGIONAL RAIL AUTHORITY SANBAG AGREEMENT C11061

This Memorandum of Understanding (MOU) is entered into this ____ day of _____, by and between the San Bernardino Associated Governments, a joint powers authority, hereinafter referred to as "SANBAG", and the Southern California Regional Rail Authority, a joint powers authority, hereinafter referred to as "SCRRA" for the purpose of defining the roles and responsibilities of the two parties with respect to the receipt of Proposition 1B Public Transportation, Modernization, Improvement, and Service Enhancement Account (PTMISEA) funds allocated to SANBAG pursuant to Government Code 8879.55(a)(2), hereinafter referred to as "PTMISEA Population Funds".

RECITALS

WHEREAS, SCRRA is an independent joint powers authority created and existing pursuant to California Public Utilities Code Section 130255 and California Government Code Sections 6500 et seq. and;

WHEREAS, SANBAG is a member agency of SCRRA, and both wish to work as partners in accommodating the expected growth of ridership on the San Bernardino Line; and

WHEREAS, with the passage of the Rail Safety Improvement Act of 2008, Congress mandated that rail carriers develop a plan for implementing Positive Train Control by 2015; and

WHEREAS, SCRRA has committed to substantial completion of Positive Train Control by the end of 2012; and

WHEREAS, on March 23, 2009, SANBAG applied for PTMISEA Population Funds in the amount of \$3,309,525 as a contribution to the SCRRA Positive Train Control project; and

C11061-rpg 35211000

15.75

WHEREAS, the PTMISEA Population Funds applied for by SANBAG were approved by Caltrans on April 22, 2010, and would be sent directly to SANBAG; and

WHEREAS, SANBAG and SCRRA hereby agree that certain administrative and financial functions will be necessary in order for the PTMISEA Population Funds allocated to SANBAG to be used for capital projects to be completed by SCRRA.

NOW, THEREFORE, it is mutually understood and agreed by SCRRA and SANBAG as follows:

ARTICLE A. RESPONSIBILITIES OF SCRRA

1. SCRRA:

- a. SCRRA shall assist SANBAG in determining eligible capital projects and the amount of PTMISEA Population Funds allocated to SANBAG required for each eligible SCRRA project and the project application(s). For the Fiscal Year 2010/2011, the Project as defined and contained in Attachment A of this agreement is selected for funding.
- b. SCRRA shall notify SANBAG of the date when funding for the Project provided for under this MOU is encumbered by awarding the contract for Positive Train Control.
- c. SCRRA shall prepare and submit an annual invoice to SANBAG for the PTMISEA Population Funds as identified in the Project Drawdown Schedule in Attachment A. Each invoice shall include a description of the Project phase to be completed during the year in which the funds are received.
- d. SCRRA shall prepare six-month Project Status Reports during the term of the Project as identified in Attachment A. A draft Project Status Report shall be due to SANBAG ten (10) working days before the submittal date in Attachment A. Within seven (7) working days after the submittal of the Draft Project Status Report and after receiving any comments from SANBAG, SCRRA shall submit to SANBAG a six-month Final Project Status Report.
- e. SCRRA shall, after the receipt of any portion of the PTMISEA Population Funds made available from SANBAG and through the completion of the Project, include any required fiscal and compliance audit requirements in the annual independent audit of SCRRA. SCRRA shall provide a copy of said fiscal and compliance audit to SANBAG within 180 days after the end of the fiscal year. SANBAG may grant an extension of up to 90 days if deemed necessary.

C11061-rpg 35211000 f. SCRRA shall, upon completion of the Project, prepare and submit a draft Project Follow-up Report to SANBAG fifteen (15) working days prior to the submittal timeframe identified in Attachment A. Within ten (10) working days after the submittal of the draft Follow-up Report and after receiving any comments from SANBAG, SCRRA shall submit to SANBAG a Final Follow-up Report.

ARTICLE B. RESPONSIBILITIES OF SANBAG

2. SANBAG:

- a. SANBAG shall submit applications to the State Department of Transportation (Caltrans) in accordance with the schedule developed by Caltrans for the PTMISEA Population Funds for mutually agreed upon eligible capital projects.
- b. SANBAG shall notify Caltrans when the funds made available for the Project have been encumbered.
- c. SANBAG shall, within thirty (30) days from the receipt of the SCRRA annual invoice for Project, issue payment of the full invoice amount to SCRRA.
- d. SANBAG shall, within five (5) working days of receipt of each six-month Draft Project Status Report, provide to SCRRA any comments on the draft report. Upon receipt of each six-month Final Project Status Report, SANBAG shall submit each report to Caltrans pursuant to the schedule in Attachment A.
- e. SANBAG shall include the receipt and disbursement of the PTMISEA Population Funds made available to SCRRA in its annual independent fiscal and compliance audit up to and including the fiscal year in which the last payment for the Project is made. SANBAG shall also submit said audit to Caltrans.
- f. SANBAG shall provide comments to SCRRA on the Draft Project Follow-up Report within ten (10) working days of receipt. Upon receipt of the Final Project Follow-up Report, SANBAG shall submit such report to Caltrans pursuant to the schedule in Attachment A.

ARTICLE C. ADDITIONAL PROVISIONS:

- The SANBAG and SCRRA agree to the following mutual responsibilities:
 - a. Term of MOU This MOU shall be effective upon execution by both parties.

C11061-rpg 35211000 This MOU shall remain in effect until terminated by mutual written consent of both parties. The term of this MOU may only be extended upon mutual written agreement by both Parties.

- b. <u>Legal Authority</u> SANBAG and SCRRA hereto warrant that they are duly authorized to execute this MOU on behalf of said Parties and that, by so executing this MOU, the parties hereto are formally bound to the provisions of this MOU.
- c. <u>Notices</u> Any notices, requests, or demands made between the parties pursuant to this MOU are to be directed as follows:

To SCRRA:

Southern California Regional Rail Authority 700 S. Flower Street, Suite 2600 Los Angeles, CA 90017-4101 Attention: Joanna Capelle

Position: Manager, Grants & Strategic Dev.

Phone No.: 213-452-0209

To SANBAG:

San Bernardino Associated Governments 1170 W. Third St., 2nd Floor San Bernardino, CA 92401-1715 Attention: Mitch Alderman Position: Director, Transit & Rail Programs

Phone No.: 909-884-8276

- d. <u>Severability</u> If any term, provision, covenant, or condition of this MOU is held to be invalid, void, or otherwise unenforceable, to any extent, by any court of competent jurisdiction, the remainder of this MOU shall not be affected thereby, and each term, provision, covenant or condition of this MOU shall be valid and enforceable to the fullest extent permitted by law.
- e. <u>Counterparts of MOU</u> This MOU may be executed and delivered in any number of counterparts, each of which, when executed and delivered shall be deemed an original and all of which together shall constitute the same agreement. Facsimile signatures will be permitted.
- f. Force Majeure Either party shall be excused from performing its obligations under this MOU during the time and to the extent that it is prevented from performing by an unforeseeable cause beyond its control, including but not limited to; any incidence of fire, flood; acts of God; commandeering of material, products, plants or facilities by the federal, state or local government; national fuel shortage; or a material act or omission by the other party; when satisfactory evidence of such cause is presented to the other party, and provided further that such nonperformance is unforeseeable, beyond the control and is not due to the fault or negligence of the party not performing.
- g. <u>Assignment</u> Neither this MOU, nor any of the parties rights, obligations, duties, or authority hereunder may be assigned in whole or in part by either party without the prior written consent of the other party in its sole, and absolute, discretion. Any such attempt of

assignment shall be deemed void and of no force and effect. Consent to one assignment shall not be deemed consent to any subsequent assignment, nor the waiver of any right to consent to such subsequent assignment.

- h. Obligations To Comply with Law- Nothing herein shall be deemed nor construed to authorize or require any Party to issue bonds, notes, or other evidences of indebtedness under the terms, in amounts, or for purposes other than as authorized by local, state or federal law.
- i. <u>Governing Law</u>- The laws of the State of California and applicable local and federal laws, regulations and guidelines shall govern this Agreement.

In Witness Thereof, the Parties have executed this Memorandum of Understanding as of the date first written above.

ATTACHMENT A

Fiscal Year 2010/2011 PTMISEA Project

1. Project Description: Metrolink Positive Train Control

2. Project Award: \$3,309,525

- 3. Project Drawdown Schedule: SANBAG will issue payment in full to SCRRA following award of contract for Positive Train Control by SCRRA
- 4. Six-Month Project Status Report: Each Project Status Report shall contain a description of the activities and progress made on the implementation of the Project. The purpose of the report is to ensure that projects and activities funded from the PTMISEA bond proceeds are being executed in a timely fashion, that the project is within the scope and cost approved at the time of allocation, and is achieving the intended purpose.
- 5. Six-Month Project Status Report Schedule:

March 1, 2011	September 1, 2011	March 1, 2012	September 1, 2012
March 1, 2013	September 1, 2013	March 1, 2014	September 1, 2014

- 6. Annual Fiscal and Compliance Audits: Each annual fiscal and compliance audit shall include the verification of receipt and appropriate expenditure of the bond funds. The audit shall include the identification of any interest earned from the bond revenue received. The fiscal and compliance audit must be submitted 180 days after the end of the fiscal year. SANBAG may grant an extension of up to 90 days if deemed necessary.
- 7. Project Follow-up Report: Six months after the Project becomes fully operational or has entered into service a Follow-up Report is required. The report shall include the final Project cost compared to the original budget, the Project duration compared to the project schedule at the date of allocation, and the performance outcomes achieved as compared to the outcomes described in the original application.
- 8. Project Follow-up Report Schedule: July 1, 2013

This list provides information on acronyms commonly used by transportation planning professionals. This information is provided in an effort to assist SANBAG Board Members and partners as they participate in deliberations at SANBAG Board meetings. While a complete list of all acronyms which may arise at any given time is not possible, this list attempts to provide the most commonly-used terms. SANBAG staff makes every effort to minimize use of acronyms to ensure good communication and understanding of complex transportation processes.

San Bernardino Associated Governments

MISSION STATEMENT

To enhance the quality of life for all residents, San Bernardino Associated Governments (SANBAG) will:

- Improve cooperative regional planning
- Develop an accessible, efficient, multi-modal transportation system
- Strengthen economic development efforts
- Exert leadership in creative problem solving

To successfully accomplish this mission, SANBAG will foster enhanced relationships among all of its stakeholders while adding to the value of local governments.
